EXCELLENT CONDITION WITH SERVICE HISTORY

£11,650

Full service history, adaptive comfort suspension, Spotify connect, heated seats, reversing camera, and recent air suspension system replacement by Railway Auto BMW specialists.

The car has been in my care since 2018 and has been maintained to an excellent level, including a full engine carbon clean at 74,000 miles. It has a full-service history from BMW and my local trusted specialist.

The car is running well and driving tight, with everything working as it should. All BMW recalls and updates have been completed, and it is equipped with Continental All Season Contact tyres all around with good tread depth, ensuring a safe and smooth performance in all weather.

Personal registration plate is not included. Vehicle will have new plates from DVLA.

The car is priced to sell as I have ordered a new one.
