**LED DAY LIGHT RUNNING LIGHTS**

The Vauxhall Astra 1.5 Turbo D Business Edition Nav 2021 is a diesel-powered, compact family hatchback designed to offer a balance of efficiency, practicality, and affordability. The 2021 model comes with several updates in terms of both performance and technology, making it a competitive option in its class. Here is an overview of its key specifications: Engine and Performance The 2021 Vauxhall Astra 1.5 Turbo D is powered by a 1.5-liter, three-cylinder turbocharged diesel engine. This engine produces 105 PS (approximately 103 horsepower) and 260 Nm of torque, providing sufficient power for both city driving and highway cruising. The diesel engine is paired with a six-speed manual transmission, delivering power to the front wheels. The combination of a small, efficient diesel engine and a manual gearbox ensures a good balance between performance and fuel economy. It accelerates from 0-62 mph (0-100 km/h) in around 10.2 seconds, with a top speed of approximately 124 mph. Fuel Efficiency One of the standout features of the Vauxhall Astra 1.5 Turbo D is its fuel efficiency. The car is known for its low fuel consumption, thanks to its lightweight structure and efficient engine design. It has an average fuel consumption of around 62-65 miles per gallon (MPG) on the WLTP cycle, making it an economical choice for drivers who need to cover long distances regularly. Additionally, the CO2 emissions are relatively low, at approximately 120 grams per kilometer, which can be beneficial for reducing road tax costs and minimizing environmental impact. Interior and Comfort The Business Edition Nav trim offers a well-equipped and comfortable interior. It features ergonomic

This system includes satellite navigation, DAB radio, , Apple CarPlay, and Android Auto, ensuring seamless connectivity and entertainment options. The car also offers ample legroom and headroom for passengers in both the front and rear seats, along with a decent-sized boot capacity of 370 liters, which can be expanded by folding down the rear seats. Safety and Driver Assistance Safety is a priority for the Vauxhall Astra 1.5 Turbo D, and the 2021 model is equipped with various advanced driver assistance systems. Standard safety features include lane departure warning, lane-keeping assist, traffic sign recognition, cruise control with speed limiter, automatic emergency braking, and a driver drowsiness alert. These features work together to enhance driver safety and reduce the risk of accidents. Exterior Design The 2021 Vauxhall Astra retains its sharp and contemporary design, featuring a sleek profile, a distinctive front grille, and modern LED headlights. The Business Edition Nav model also comes with 16-inch alloy wheels, body-colored door mirrors, and chrome detailing, which add a touch of sophist
