The 2019 Vauxhall Adam 1.2 Energise is a stylish and compact city car designed to offer a blend of personality, practicality, and affordability. Known for its youthful appeal, this model is part of Vauxhall's Adam range, which aims to provide an eye-catching alternative to more traditional small cars. With its customizable options and modern features, the Vauxhall Adam 1.2 Energise is tailored for those who want a vehicle with a unique character that stands out on urban roads. Engine and Performance Under the hood, the 2019 Vauxhall Adam 1.2 Energise is powered by a 1.2-liter naturally aspirated petrol engine. This four-cylinder engine produces 69 horsepower (PS) and 115 Nm of torque, providing adequate power for city driving and short-distance trips. The car's power is delivered through a 5-speed manual transmission, which allows for smooth gear changes and enhances the overall driving experience. The Adam's lightweight construction ensures it remains agile, responsive, and easy to maneuver through tight city streets, parking spaces, and traffic. Fuel Economy One of the significant advantages of the Adam 1.2 Energise is its fuel efficiency. It offers a respectable fuel economy of around 52.3 miles per gallon (mpg) combined under WLTP testing conditions. This makes it an economical choice for daily commutes and urban driving, where fuel costs can quickly add up. Its CO2 emissions are rated at approximately 125 g/km, which places it in a relatively low road tax bracket, making it a budget-friendly choice for cost-conscious drivers. Exterior and Design The Vauxhall Adam 1.2 Energise has a distinctive and contemporary design, characterized by its compact dimensions and dynamic lines. The model features a two-tone exterior paint scheme, with contrasting roof colors that add to its unique visual
