FVWSH - VW + 1 OWNER - IMMACULATE!

NEW ARRIVAL
Images Coming Soon.

This mk2 Touareg 'Altitude' V6 TDI is finished in 'Reflex Silver' with full black leather interior and has covered just 68k genuine miles. It has had the same careful owner from 6 months old and is in really amazing condition throughout - No family use, no pets, never smoked in, back seat virtually unused, no dents or scrapes.

The V6 diesel produces 245 BHP and is mated to the fantastic 'ZF' 8 speed Tiptronic auto box, being a pre-facelift model it benefits from not having an ad blue system, and can achieve up to 40 mpg on a run and it drives like new.

The standard spec on the 'Altitude' model includes heated front seats, heated steering wheel, cruise control, sat nav, Bluetooth with media streaming, electric folding/heated mirrors, front and rear parking sensors with on screen display. This example has optional extras of 20 inch 'Tarragona' Alloy Wheels (just refurbished for the new owner), Bi-Xenon headlights, Auxiliary/Parking Heater (very rare option - heats cabin in winter by remote or timer without engine running - it works perfectly), and factory fold-away towbar (this has NEVER been used and still has the original paint on the ball hitch!).

This Touareg has been exceptionally well maintained, with all servicing carried out at a VW main dealership - there are no less than 11 stamps in the service book and the most recent service was carried out at 65,419 miles in March 2024. In addition to this, 4 brand new Michelin Cross Climate all season tyres were fitted in January 2024, and the brake discs and pads were renewed all round at the same time! Invoices are present for all work done and all old MOT certificates are also present.
