

Mercedes Vito 115CDI Sport Van | May 2008 LOW MILES

£7,000 O.N.O

The van has been used mainly for recreation. It has been fully insulated and converted for camping as shown in the pictures. The conversion could be easily removed to revert the van back to its original state. The van comes with everything in the pictures including: - 2 original keys - Leisure battery (charges while driving) - Solar panel - Custom upholstered 'rock & roll' style seat/bed - Bluetooth stereo - Lighting - Roof vent - Inverter - Diesel heater - Sink with tap, water tank and waste water tank - Built in storage Van runs really well, reluctantly selling as it's not getting the use it deserves.

Vehicle Features
