

Jaguar F-Pace 2.0d R-Sport 5dr Auto AWD | Dec 2018

£18,495

GOOD SERVICE HISTORY, AUTOMATIC, LEATHER

The Jaguar F-Pace is a stylish premium SUV that has enjoyed a heavy mid-life update. It's bigger than Jaguar's other SUV, the E-Pace, putting it in the area of alternatives such as the Audi Q5, BMW X3 and Mercedes GLC. But park the F-Pace next to these other SUVs and it's like sitting James Bond next to Indiana Jones. They can all handle a bit of rough and tumble off the beaten track, but the F-Pace is somehow more sophisticated doing it. That starts with its looks. Its striking grille, air intakes, slim headlights and bonnet creases give it a sporty look, but it's somehow a classier effort than from those across the water.
