

**Alfa Romeo MiTo 1.4 TB MultiAir 170  
Quadrifoglio Verde 3dr TCT | Mar 2015**

**£6,995**

**LOW MILEAGE AUTOMATIC**

The MiTo aimed to take everything Alfa Romeo knew about sports car dynamics and distil it into one head-turning premium supermini. Aimed at the MINI but offering greater practicality, value and high street wow factor, this Italian alternative was first launched in 2009, but we'd recommend that in buying a used one, you try and stretch to one of the much improved post-2014-era facelifted versions. These cars were much enhanced by smarter looks inside and out that built on an impressively frugal range of engines and a uniquely special feel. Can small cars from the 2014-2018 era that are small and efficient really also be desirable? Alfa reckons so. Fusco Vehicle Sales - North Down's largest used car dealership.
