£5,200 O.N.O

Owned the car for the last 3 years so plenty of maintenance was done on it. Don't be scared by the high mileage- there's a reason it made this far and still drives pristine. Served me well on concrete, sand, rocks and so forth. Being so big it has generous space in the back so We also used it as a camper. Comes with extra 4 new tyres. Car was always in pristine condition as safety was always our number 1 concern. huge comfort due to its size yet very quick as it was mapped to 285hp.
