

Ford Fiesta 1.25 Finesse 3dr | Sep 2004**MOT JAN 2025 ++ ALLOYS ++ WORKING RADIO ++ 40+ MPG****£995**

This 2004 Ford Fiesta Finesse 1.25 3dr manual, with about 108k miles on the clock, is a good wee car. I have been it driving since February 2024 until now as a temporary car, putting about 4k miles on the clock, until I bought a bigger family estate car.

Drives well and starts every time, very fuel efficient.

On 18.9.24 mechanic replaced the blower regulator for fan heater inside car and new front brake discs and pads.

It has a service book and service history with local garage and the car is highly thought of. 5 previous owners. Also working radio and cd player.

Mot'd until 16.1.2025, taxed and two keys.
