

Jeep Wrangler 2.0 Gme Rubicon 4Dr Auto8 | Nov 2020

£39,455

JUST FULLY SERVICED

The Jeep Wrangler 2.0 Rubicon is a variant of the Jeep Wrangler, a well-known off-road vehicle, with a focus on enhanced performance, ruggedness, and capability. The "2.0" refers to the 2.0-liter turbocharged inline-4 engine, which offers a balance between power and fuel efficiency, compared to the traditional V6 engines. Key Features and Specifications of the Jeep Wrangler 2.0 Rubicon: Engine and Performance: Engine: 2.0-liter turbocharged inline-4 engine. Power Output: 270 horsepower and 295 lb-ft of torque. Transmission: 8-speed automatic transmission (manual option may be available on certain trims). 4x4 System: Standard 4WD with advanced off-road features, including the Rock-Trac system. Towing Capacity: Can tow up to 3,500 lbs, making it suitable for light-to-medium towing needs. Off-Road Capabilities: Rubicon Trim: Known for its enhanced off-road capabilities, the Rubicon features upgraded suspension, locking differentials, and larger tires. Electronic Locking Differentials: Allow for better traction in difficult conditions. Sway Bar Disconnect: This feature allows the front sway bar to be disconnected to improve wheel articulation on rough terrain. Ground Clearance: The Rubicon typically offers improved ground clearance compared to other Wrangler trims. Design: Exterior: Iconic Jeep design with removable doors, roof, and windshield for an open-air experience. Wheels: Typically features 17-inch wheels with aggressive off-road tires. Lighting: Includes LED headlights, fog lights, and taillights for better visibility during off-road driving. Interior Features: Infotainment: The Jeep Wrangler 2.0 Rubicon comes with an available 8.4-inch Uconnect infotainment system, which supports Apple CarPlay, Android Auto, navigation, and more. Seating: Durable and comfortable

seating materials suitable for rugged environments. Leather-trimmed seats may be an option. , USB ports, and available 4G LTE Wi-Fi hotspot. Safety: The Rubicon comes with standard safety features such as rearview camera, blind-spot monitoring, rear parking sensors, and optional adaptive cruise control. Fuel Economy: The 2.0-liter turbocharged engine tends to offer better fuel efficiency compared to the 3.6-liter V6 engine, with an average of around 20-22 mpg in the city and 24-25 mpg on the highway. Price: The Jeep Wrangler 2.0 Rubicon is typically priced higher than other base trims, with costs generally starting in the mid-\$40,000 range, depending on configurations and optional features. The Jeep Wrangler 2.0 Rubicon is an ideal choice for those seeking a combination of off-road performance, modern tech features, and reasonable fuel efficiency. Whether you're tackling trails, overlanding, or just enjoying an open-air ride, the Rubicon trim provides enhanced capabilities to handle various terrains.
