

Jaguar XF 2.0d [180] R-Sport 4dr Auto | Jun 2017

£12,995

AUTOMATIC, HEATED LEATHER

Jaguar has taken what was good about the old car: its blend of confidence-inspiring handling and a cossetting ride, theatrical interior and individual style and improved on all those. It's also addressed the lack of space and outdated infotainment to become class best in the former and competitive in the latter. There's also Jaguar's highly-praised 2.0-litre diesel under the bonnet. It's the Ingenium four-cylinder diesel first seen in the smaller XE, and is available with the same choice of 161bhp or 178bhp power outputs. There is also the more potent version in racy R-Sport guise. Fusco Vehicle Sales - North Down's largest used car dealership. Generally over 200 cars & commercial vehicles between £3000 - £60,000 on site. See "Part Exchange Estimator" and "Finance Application" on our website. HP & PCP Finance Options Available.
