The Ford Focus is a popular compact car known for its sharp handling, advanced tech features, and efficient powertrains. Here's a concise overview: Design: The Focus has a modern, sporty design with a sleek profile, bold front grille, and stylish LED headlights. Available in hatchback, sedan, and estate variants. Interior: Inside, it offers a well-laid-out cabin with good quality materials. The infotainment system features a central touchscreen with Ford's SYNC interface, supporting Apple CarPlay and Android Auto. Performance: Available with a range of petrol, diesel, and mild-hybrid engines, the Focus is praised for its agile handling and smooth ride. The sporty ST variant offers a high-performance option with turbocharged engines. Space: Despite being compact, the Focus provides decent passenger room and a practical boot, especially in the estate model. Safety: Equipped with a range of safety features like adaptive cruise control, lane-keeping assist, automatic emergency braking, and other driver-assist technologies. Tech: The Focus features modern technology like adaptive headlights, a head-up display, and a digital driver's display in higher trims
