

Mazda MX-5 1.8i Euphonic 2dr | Apr 2004

34, 000 MILES AND SUPER CLEAN

£5,995 O.N.O

Advertised for sale is a 2004 Mazda MX5 Euphonic, with just over 34,000 miles.

This special edition is very well specified, with an interior, sound system and wheels unique to this model. It features the sought after extras of a sport (larger brakes, bracing, LSD, suspension etc), but with the generally preferred five speed gearbox.

The very low mileage shows in it's incredibly good condition. The leather, interior and body work shows minimal signs of wear and tear.

Maintenance wise, there is a full service history provided. I have just serviced the car, with oil and oil filter, air filter, spark plugs, coolant flush and change, rear differential oil, fuel filter - it's running sweet as a nut. The wheels have also been recently refurbished and are like new.

The sills were replaced by a previous fastidious owner and otherwise the car shows no sign of requiring any further body work. A recent clutch change has also been performed. There is a mohair soft top under the hard top, which shows minimal signs of use and is in incredibly good condition.

I am based in Northern Ireland, near both airports and the docks are only a short drive away. Naturally being part of the UK, registration poses no issue.

A walk around video is also available.

Vehicle Features

Miles:	34987
Fuel Type:	Petrol
