---------------------------------	-------

Engine Power BHP:	67.1BHP
--------------------------	---------

Nice tidy example driven by my wife for the last 5 years, all light use city driving. The car has had over £1000 of work done in the last 2 years. Including full new exhaust system, sills welded and painted, front shock mounts welded, front and rear bumpers resprayed, brakes overhauled and balanced, new tyres, new wishbone etc.

We are selling as we now need a family car

Vehicle Features
