The 2018 Hyundai Tucson 1.6 GDi SE Nav 2WD is a compact SUV that combines sleek design, solid performance, and a suite of modern features for practical urban driving. Below is a detailed overview of its specifications and features.

Engine and Performance: The Hyundai Tucson 1.6 GDi SE Nav is powered by a 1.6-litre GDi (Gasoline Direct Injection) engine, producing 132 PS (130 horsepower) at 6,300 rpm and 161 Nm of torque at 4,850 rpm. This naturally aspirated petrol engine provides sufficient power for city driving and light highway cruising. The front-wheel-drive (2WD) system is paired with a 6-speed manual transmission, offering a more engaging driving experience. In terms of fuel efficiency, the 1.6 GDi engine is not the most frugal in its class, offering a combined fuel consumption of around 44.8 mpg (5.3 L/100km) on the WLTP cycle. It emits 147 g/km of CO₂, which places it in a relatively moderate road tax band. The 0-62 mph (0-100 km/h) acceleration time is around 11.5 seconds, with a top speed of 113 mph (182 km/h).

Exterior Design: The 2018 Tucson has a refined and modern appearance, featuring Hyundai's signature cascading front grille, sleek headlights, and sculpted body lines. The SE Nav trim comes with 17-inch alloy wheels, adding a touch of style while ensuring a comfortable ride. The SUV's dimensions are 4,475 mm in length, 1,850 mm in width, and 1,645 mm in height, with a wheelbase of 2,670 mm. This provides it with a spacious yet compact profile that fits well into urban and suburban settings. Other exterior features include automatic headlights with dusk sensors, LED daytime running lights, rear parking sensors, and roof rails. There are also

electrically adjustable, heated side mirrors, which are body-colored to match the vehicle's paint scheme. Interior and Technology: Inside, the Tucson offers a well-designed, practical, and comfortable cabin. The SE Nav trim features cloth upholstery, manual air conditioning, and a leather-wrapped steering wheel and gear knob. The driver's seat is height-adjustable, and the rear seats can be split-folded (60/40) to expand the already generous boot space, which stands at 513 litres with the seats up and 1,503 litres with the seats down. Technology-wise, the SE Nav trim includes an 8-inch touchscreen infotainment system, complete with satellite navigation, DAB radio, , and Apple CarPlay/Android Auto integration. There's also a rear-view camera, making parking easier. The sound system comprises six speakers, delivering decent audio quality for everyday use. Safety and Driving Aids: Hyundai has equipped the Tucson with a range of safety features, reflecting its commitment to vehicle safety. Standard safety features include six airbags, ABS with EBD (Electronic Brakeforce Distribution), ESC (Electronic Stability Control), and a tire pressure monitoring system. There's also lane-keeping assist, hill-start assist, and autonomous emergency braking as part of Hyundai's Smart
