REAR CAMERA, SENSORS, DAB, AC

The Toyota Corolla Touring Sports GR Sport is a dynamic and stylish estate car that blends practicality with a sporty edge. This GR Sport variant, inspired by Toyota's Gazoo Racing division, features distinct design elements like a more aggressive front grille, black exterior accents, GR badging, and exclusive alloy wheels, giving it a sportier appearance compared to the standard model. Under the hood, the Corolla Touring Sports GR Sport is often equipped with a hybrid powertrain, pairing a 1.8-liter or 2.0-liter petrol engine with an electric motor. This ensures both efficiency and responsive performance. Inside, the GR Sport trim adds sport seats with unique upholstery, leather touches, and a GR-themed interior design. The infotainment system includes a touchscreen with smartphone connectivity, and advanced driver assistance systems such as adaptive cruise control, lane tracing assist, and a pre-collision system come as standard. Overall, it offers a stylish yet practical driving experience with a sporty flair
