The Toyota Yaris Cross GR Sport is a sporty and stylish variant of the Yaris Cross, blending practicality with performance-inspired design. Influenced by Toyota's Gazoo Racing division, the GR Sport trim adds athletic flair with exclusive exterior features such as a bold front grille, GR badging, 18-inch alloy wheels, and sportier bumpers. These elements give the Yaris Cross a more dynamic and aggressive look. Under the hood, it typically features Toyota's efficient hybrid powertrain, combining a 1.5-liter petrol engine with an electric motor, delivering excellent fuel efficiency and a smooth, responsive drive—ideal for both urban and rural settings. Inside, the GR Sport trim enhances the interior with sport seats, leather accents, and GR-branded details, adding to the car's sporty feel. The Yaris Cross GR Sport also includes modern technology like a touchscreen infotainment system, smartphone connectivity, and advanced safety features, such as adaptive cruise control and lane-keeping assist, making it a versatile and stylish compact SUV.
