We are pleased to offer this rare and stunning Mini Hatchback 1.5 1499 GT Edition.

As suggested in the name this is one of only 1499 ever made so to have one with this low miles is extremely rare, this GT Edition has the John Cooper Works styling both inside and out with John Cooper Works Aero Kit & Sports Seats and 3 spoke John Cooper Works sport leather steering wheel.

This 1499 GT Edition comes in Midnight Black Paint and has 17" Black Track Alloys, with features including Cruise Control, BlueTooth, DAB digital radio, Air Conditioning and so much more.

The body work is in fantastic condition all round as is the interior, matching Pirelli tyres all round, excellent specification, drives exceptionally well and is great fun.

Well worth a look!
