The Peugeot e-208 GT 51kW offers a blend of style, efficiency, and modern technology, making it an appealing choice for urban drivers. Its compact design is perfect for city driving, with a fully electric powertrain that delivers a smooth, quiet, and responsive driving experience. The 51kWh battery provides an impressive range of up to 217 miles on a single charge, reducing the need for frequent recharging. The GT model stands out with sporty design elements, including sleek LED lighting, 17-inch alloy wheels, and a dynamic interior with premium materials and tech features like a 10-inch touchscreen and Peugeot's innovative i-Cockpit. It also comes equipped with advanced driver assistance systems, ensuring a safer and more enjoyable ride. Low running costs, zero emissions, and government incentives for electric vehicles make it an eco-friendly and financially savvy choice. In summary, the Peugeot e-208 GT offers a balance of modern design, eco-conscious performance, and advanced features, making it an excellent option for those seeking a stylish and sustainable
