Only one previous owner with just 27,000 miles and still under manufacturer warranty until 2025, it has the superb 1.5 petrol turbo engine producing 130bhp and a 6 speed manual gearbox for fuel efficiency. Finished in bright Urban Silver metallic paint with two tone grey upholstery its beautifully finished inside and its packed with great features like a digital dash cockpit, touchscreen to control telephone, DAB radio, media and smart phone connections such as Apple CarPlay and Android Auto. The automatic headlights and taillights use LED technology as do the cornering front fog lights and its set off by rear privacy glass and 17 inch alloy wheels all of which give this modern hatch a style of its own. Finally the safety features mean you can travel in confidence knowing you're equipped with adaptive cruise control, lane assistance, collision avoidance and parking sensors to both front and rear.
