

## Volkswagen Golf 2.0 TDi 140 GT 5dr [Leather] | Dec 2011

# £3,650

### HEATED LEATHER HIGH SPEC

Full service history Major service has just been completed (Timing belt, water pump, oil change and oil air and fuel filters) and needs nothing done, all ready for the new owner to enjoy worry free. Front tyres replaced less than 1000 miles ago and all 4 wheels were refurbished at the same time to leave them perfect. Leather interior in exceptional condition with front heated seats. Volkswagen RNS-510 with navigation Bluetooth for phone Calls and music streaming Cruise control Very high spec'd GT and a great all round car Finished in reflex silver with all the usual GT additions. A few age related marks and stone chips but nothing major apart from a small mark on the front bumper. Most importantly there is no rust which is affecting the majority of these now. It's served us well for the last 6 years as an inbetween/back up car, but is now no longer needed I bought it as an un-repaired Cat D with damage to the front passenger side wing, lower arm and wheel. With the car being so clean, low mileage low owners and well spec'd I knew it was worth fixing and keeping. All that was required to fix the car was a new front wing and alloy, a genuine wing in reflex silver was sourced and a brand new wheel from VW purchased. Then a full overhaul of the front suspension just to be double sure. This was six years ago and the car has been flawless this whole time and has never had an issue with MOT.
