These are the extent of any more obvious visual marks. The 15 diamond cut alloy wheels are in good condition. The OSR is unmarked. The OSF and NSR alloys have each a small corrosion spot on the rim edge (where an exterior balance weight was previous affixed). The NSF alloy does show signs of curbing marks around the rim edge. The NSF and OSF tyres are brand new. The OSR tyre 4.00mm tread, NSR tyre 3.50mm tread. With Temporary spare wheel - this is in new condition. The interior is in very good condition. There are no obvious signs of excess wear and tear on the dark grey fabric upholstery. There are no obvious heavy marks on the cabin trim panels or plastics. Non smokers car. 2x remote keys are present. Sale will include 12 months warranty and 12 months breakdown assistance
