Selling on behalf of parent who has developed dementia, therefore V5 will need applied for as unable to locate as well as can't find spare key. Key buttons have fallen off so will need a new key housing (doesn't need an expensive new car & coding etc - simply housing).

Some cosmetic damage, price reflects so please don't see as an opportunity to lowball as I have taken this in to account in pricing.

I work so please msg and we can arrange a call. Car is insured to allow test drives.
