Carplay, red leather, digital dash , fresh paint , low tax Fiat 500 1.2 lounge Road tax : £35 Additional changes i've made to the car : - Original digital dash added from a 1.2 fiat sport (was a £1000 extra) - Original Red leather interior from later model fiat - Joying Apple car play (approx £800) Mileage : 101,000 miles (car states 74k due to dash change) MOT until : March 2025 After around 7 years with my car unfortunately i'm having to get a larger car due to life changes. She was a perfect first car, got me through school and moving to university alone. Although 2008 a lot of work has been put into her. The apple car play and digital dash has completely changed & modernised her. She's been a great first car! I'm hoping to find a good new owner for her to go to and continue her journey ! She's got minor aesthetic wear and tear throughout interior & exterior. She will not go up in miles & is no longer insured due to car switch. I'm open to sensible offers however have put in alot of work to modernise her.
