

**Audi A3 2.0 Tdi S Line 2Dr S Tronic | Sep 2014**  
**£ 2790 OF FACTORY FITTED EXTRAS**

**£9,999**

The Audi A3 2.0 TDI S Line 2dr S Tronic is a well-regarded model, known for its combination of performance, style, and efficiency. Powered by the 2.0-liter TDI engine, this vehicle delivers a good balance between power and fuel economy, making it a practical choice for both city driving and longer journeys. The S Tronic automatic gearbox enhances the driving experience, offering smooth and responsive gear changes, which contributes to a dynamic feel on the road. With a mileage of 79,033 miles, the engine should still have considerable life left, especially given the durability typically associated with diesel engines, though it's important to ensure that the vehicle has been regularly serviced to maintain its reliability. In terms of aesthetics, the S Line trim adds a sportier, more aggressive look with distinctive body styling and upgraded alloy wheels. The overall exterior should be examined for any signs of wear that may have occurred over time, but typically, these models maintain their premium appearance well. Inside, the cabin offers a blend of high-quality materials and a sport-inspired design, featuring leather sports seats and a flat-bottomed steering wheel. The overall fit and finish of the interior are consistent with Audi's reputation for delivering a premium feel, though the condition of the seats and dashboard should be carefully checked, given the vehicle's mileage

**Vehicle Features**

2 height adjustable rear headrests, 3 point seatbelts on all seats, 3 spoke flat bottomed S Line multifunction steering wheel, 4 lashing points to secure luggage, 19" 5 arm wing design high
