The 2022+ models feature a futuristic, angular design that stands out in the compact SUV market. **2. Comfortable Interior** Spacious and comfortable, the Tucson offers high-quality materials and excellent build quality. Both the front and rear seats provide ample space for passengers, making it a great option for families. The cargo space is generous, especially with the rear seats folded down, making it practical for road trips or everyday use. **3. Fuel Efficiency & Hybrid Options** The Tucson delivers competitive fuel efficiency for its class. The hybrid and plug-in hybrid (PHEV) versions offer even better mileage, with the hybrid capable of reaching over 35 mpg combined. The PHEV version provides a short all-electric driving range, making it eco-friendly and cost-efficient for short commutes. **5.
