Technical Specs

=====

The Nissan Micra 1.0 IG-T 100 Acenta 5Dr is a compact hatchback that offers a blend of efficiency, practicality, and modern features. Positioned as a mid-range trim, the Acenta model is packed with advanced technology, making it a popular choice for urban drivers and small families.

Engine and Performance: Engine: 1.0-liter IG-T (Indirect Gasoline Turbo) turbocharged to provide more power and efficiency. Power Output: This engine produces 100 horsepower, delivering responsive performance ideal for city driving and light highway use. Transmission: Typically paired with a 5-speed manual transmission, offering smooth gear changes and efficient power delivery. Drive: Front-wheel drive, standard for compact hatchbacks, providing good handling and stability.

Style: 5-door hatchback with a modern and sleek design, featuring sharp lines and a sporty profile. Acenta Trim: The Acenta trim level includes features like 16-inch alloy wheels, body-colored door handles, and roof rails, striking a good balance between style and practicality. LED Lighting: The model comes with LED daytime running lights and halogen headlights, ensuring good visibility and a contemporary look.

Interior: The Acenta trim includes high-quality cloth upholstery with comfortable seats. The driver's seat is height-adjustable, and the steering wheel is adjustable for better reach and take. Entertainment System: A 7-inch touchscreen display with smartphone integration via Apple CarPlay and Android Auto, USB ports, and a DAB digital radio. Instrument Cluster: A combination of analog dials and a small digital display that shows essential driving information, including fuel economy, trip data, and vehicle service intervals.

Comfort and Convenience: The interior includes air conditioning, electric front windows, and a leather-wrapped steering wheel, adding a touch of comfort to the interior. Safety Features: Nissan Safety Shield 360, including: Intelligent Emergency Braking: Helps reduce the risk of collisions by automatically applying the brakes in emergency situations. Lane Departure Warning: Alerts the driver if the vehicle unintentionally drifts out of its lane. Traffic Sign Recognition: Displays road signs, such as speed limits, on the instrument cluster.
