£11,499

REAR CAMERA- CARPLAY- N. I. REG

finished in eye-catching Vivid Blue, offers an incredible driving experience that's both eco-friendly and packed with cutting-edge features. If you're looking for a smooth, quiet ride with zero emissions and a host of premium technology, this could be the perfect car for you. Smooth, Efficient, and Electric With its powerful 110kw motor and impressive 40kWh battery, the Nissan LEAF provides plenty of range to cover your daily drives with ease. Plus, it's equipped with a 6.6kW charger that ensures efficient charging, whether you're at home or at a public charging station. Say goodbye to trips to the petrol station and enjoy the convenience of electric driving. Tech-Savvy and Packed with Features The Nissan LEAF is packed with features designed to make your life easier. Parking is stress-free thanks to the rear parking camera, while keyless entry and start means you can get in and drive away without even taking your keys out of your pocket. The customisable touchscreen lets you control everything from your music to navigation, with Apple CarPlay & Android Auto keeping you seamlessly connected on the go. Safety and Convenience at Its Best Whether you're driving in changing weather or low-light conditions, the auto lights and rain-sensing wipers make sure you're always prepared. The built-in voice assistant lets you stay focused on the road, allowing you to control features using just your voice. Peace of Mind with Every Drive As an approved used Nissan, giving you total peace of mind. Drive with confidence, knowing you're backed by comprehensive cover and Nissan's trusted reliability. Key Features: 110kw motor and 40kWh battery for an efficient, , with all the latest tech and an eco-friendly drive. Enjoy the comfort, efficiency, and style that come with owning a Nissan LEAF
