Diesel

Vehicle type
Car

Top speed
115mph

Luggage capacity (Seats up)
5

The RAV4 has good off-road capabilities and a central differential lock.

The ride is firm in town, but softens up at higher speeds.

The RAV4 is expensive compared to other compact SUVs.

The handling is average, and the car tends to understeer.

The Sport mode shifts more power to the back wheels, but it doesn't make a big difference.

Vehicle Features
