140BHP~ NAV~ CARPLAY~ FSH

Our awesome little Fiesta ST Line X looks amazing finished in Agate Black with its rear privacy glass, ST Line body kit and spoiler and its 18 inch Rock Grey alloys. Although it looks great this is standard equipment on the ST Line range, but what sets this car apart is the "X" in its title. The ST Line X models have just that little bit more spec than the standard with half leather and red accents throughout the interior and sports seats, a centre armrest, LED tail lights, digital climate control and electric folding door mirrors. The turbo charged 1.0 litre petrol engine produces a healthy 140bhp coupled with a 6 speed manual gearbox to give fuel efficiency and refinement and the insurance grouping is low meaning its won't cost a fortune to run. This is a one owner car from new and has a full service history with documents and 3 service stamps and the current MOT extends to February 2025. Always popular and Britain's best selling small car for decades!
