The BMW X3 xDrive20d M Sport 5dr Step Auto with 37,634 miles offers an excellent blend of luxury, performance, and versatility. Powered by a 2.0L diesel engine, this model delivers strong torque and efficiency, making it ideal for both city driving and long-distance cruising. The xDrive all-wheel-drive system provides confidence-inspiring traction in various weather and road conditions, while the 8-speed automatic transmission ensures smooth and responsive gear changes. The M Sport trim enhances the vehicle's sporty appearance with aerodynamic body styling, larger alloy wheels, and M-specific interior touches. Inside, the BMW X3 offers a premium cabin with high-quality materials, a driver-focused layout, and a suite of modern technologies. Features like the iDrive infotainment system, leather sports seats, and ambient lighting elevate the driving experience, while the generous interior space and practical cargo area make it a great option for families or those who need extra room. With its mileage still relatively low for a car of this caliber, it offers reliability and the peace of mind that comes with BMW's reputation for engineering excellence
