1. 3 FUEL ECONOMY

The 2020 Renault Kadjar GT Line stands out with its sleek and modern exterior design, featuring bold lines, chrome detailing, and distinctive LED headlights. The GT Line trim adds sporty elements, such as 19-inch alloy wheels, a more aggressive front grille, and exclusive styling touches that give the Kadjar a more refined and dynamic look. Its elevated ride height and rugged design make it ideal for drivers who want a versatile SUV with a touch of elegance. Under the hood, the Kadjar GT Line typically comes with a choice of efficient petrol or diesel engines, including the 1.3 Tce turbocharged petrol engine, which delivers strong performance with excellent fuel economy. The 1.3-liter petrol engine provides a smooth and responsive driving experience, with power outputs ranging from 140 to 160 horsepower, depending on the specific configuration. The 6-speed manual or 7-speed automatic transmission options ensure smooth gear shifts, while the Kadjar's well-tuned suspension provides a comfortable ride, whether on city streets or rougher terrain
