£16,199

2. 4L HYBRID

The Mitsubishi Outlander 2.4 PHEV Verve 5dr Auto with 34,180 miles offers a great balance of eco-friendly technology and practicality. As a plug-in hybrid vehicle (PHEV), it combines a 2.4L petrol engine with electric motors, allowing for efficient driving and the ability to drive on electric power alone for shorter journeys. The Verve trim level focuses on practicality, making this model an ideal choice for those seeking value and functionality. It comes equipped with all-wheel drive, making it suitable for various road conditions, and includes key safety features like rear parking sensors and lane departure warning for added peace of mind. With its relatively low mileage, this Outlander offers strong reliability, ensuring many more miles of efficient and comfortable driving. The spacious interior and versatile cargo space make it a solid option for families or those needing extra room for travel
