I've owned this Fiesta for approximately 3.5 years after purchasing it from TrustFord in Mallusk in May 2021, I don't travel a lot of miles so I've only put around 14 thousand miles on the car during my ownership. It's been serviced regularly with a trusted local mechanic. Hasn't needed anything other than regular maintenance.

Overall it has been an excellent car and good on fuel, has plenty of features and is well equipped. The only reason for changing is I wanted to try an electric car for a while. It's a good car that will serve someone for years to come.

Thanks for looking.
