June 2024 first registered. Registered from new by us. Our demonstrator. All-new Kodiaq SE L 1.5 TSi 150ps E-TEC petrol with 7-speed DSG automatic gearbox. 2WD. With 7 seats. Graphite Grey metallic paint. Mileage is 5,592 miles. CO2 145g/km. This car has factory option of Adaptive Cruise control. The Recommended Retail price (RRP) of this car when first registered was £40549.99. As this car cross's £40k the VED Road Tax is subject to the annual VED supplement for a period of 5-Years, currently £410. As an ex-demo the presentation of this car is superb. On the exterior there are no obvious visual marks, scuffs or scores. To be very fussy we observe 1x very tiny stone chip on the bonnet to RHS of the Skoda badge - we have touched this small mark in to make it hardly noticeable. The 19 silver alloy wheels are in excellent presentation. Only the NSF alloy has a very minor chip on the rim edge at one point. All four tyres are premium brand Hankook. The NSF 7.50mm tread. The OSR and NSR 7.00mm tread. The OSF 6.50mm tread. With tyre inflation kit. The interior is immaculately presented. There are no signs of excess wear and tear on the faux leather upholstery. There are no obvious visual marks on the cabin trim panels or plastics. 2x remote keys are present. The balance of Skoda's 3-Year/60,000 mile warranty applies subject to continued servicing conditions met
