Bentley Continental GT 6.0 W12 Mulliner Driving Spec 2Dr Auto | May 2019

£104,999

CONTINENTAL GT W12 HUGE SPEC

Bentley Belfast are delighted to offer for sale, perhaps the most sought after sports coupe in the world today, a fine example of the GT Continental Twin Turbo 6.0 W12. This badge leading model highlights build quality, luxury, performance and craftsmanship that showcase why Bentley is admired and revered by so many folk who own and potentially want to drive Bentley. This powerful twin turbo engine gives supercar performance with 626 bhp on tap and 3.6 seconds to the 60 mph mark, as well as top speed in excess of 200 mph and exemplary road holding and traction associated with all wheel drive, Bentley's unique Dynamic Ride 48 volt system and 22" painted wheels. These impressive stats are also combined for this specific model, with the luxury of Mulliner Design Spec, including ventilated diamond quilted heated leather front seats with Massage function, to make this GT a total pleasure to drive anytime. There is a wonderful contrast with the Onyx Black metallic paint with an exterior bright chrome work, against the Linen and Beluga interior hides. The front cabin also includes mood lighting, illuminated Bentley Sill and Derivative Treadplate, heated windshield and heated duo tone steering wheel, Piano Black upper decorative inserts, Bentley Rotating Display, Deep Pile Overmats and so much more... This is a wonderful opportunity to purchase a GT W12 with Mulliner Design Spec showcasing Bentley's bespoke luxury craftsmanship, marque design, performance and engineering. For your personalised video presentation, please contact Richard or Kieron on 028 9038
