PLUG- IN HYBRID/ ALCANTARA SEATS

The DS 9 Performance Line + 250 is a premium executive sedan from French automaker DS Automobiles, blending luxury with performance. Part of the DS 9 lineup, this model is equipped with a 1.6-liter turbocharged petrol engine paired with an electric motor, producing a combined output of 250 horsepower. This plug-in hybrid powertrain provides both dynamic driving and eco-friendly efficiency, offering a smooth balance between power and fuel economy. The Performance Line + trim enhances the car's sportiness with a distinct visual identity, featuring black exterior accents, special badges, and 19-inch alloy wheels. Inside, it offers a refined and luxurious cabin with Alcantara upholstery, high-quality materials, and advanced technology, such as a 12.3-inch digital instrument cluster and a large touchscreen for infotainment. Key features include DS Active Scan Suspension, which adjusts damping based on road conditions, and a suite of driver assistance systems for enhanced safety. With an electric range of up to 34 miles (around 55 kilometers) in zero-emission mode, it's a suitable option for urban commutes and long journeys alike. The DS 9 Performance Line + 250 stands out for its combination of French luxury, hybrid efficiency, and stylish design
