

**Porsche Cayman 2.7 2dr PDK | Mar 2014**  
**STUNNING EXAMPLE WITH OVER £ 10, 000 OF FACTORY**  
**OPTIONS**

**£26,440**

This really is a stunning example of a unmodified and meticulously cared for Cayman 981 - It has been cherished by only a few enthusiastic Porsche owners from new which is very rare for one of these specific cars.

Overall the car presents very well; with no noticeable stone chips to the paintwork. The interior is in perfect condition also with no noticeable marks or creasing to the seats & has never been smoked in. The car even comes with the original mats/accessories when supplied new.

It has a massive factory specification of over £10,000 listed to the side of this advert including; PDK Gearbox, PCM with Nav, PASM- Active suspension, 19" Factory Wheels, Heated seats & Steering wheel etc etc.

The car has a fully comprehensive history from Porsche Main Dealers & Porsche specialists- All fully documented in a folder!

The car sits on Pirelli P-Zero Tyres all round & all 4 Wheels are in Great condition in the stunning Brilliant silver Finish.

We honestly believe it would be very hard to ever replicate this example with the condition, history and mileage - If you require any more information/ images don't hesitate to contact myself.

Viewing is welcomed although only for people with genuine interest of purchasing the car. It will be supplied with all relevant handbooks in their Folder & 2 Keys.
