Luggage Capacity (Seats Up):	540L
Gross Weight:	2415KG
Max. Loading Weight:	510KG

PERFORMANCE & ECONOMY

Fuel Consum. (Combined):	1.1MPG
Fuel Tank Capacity:	42L
Number Of Gears:	6 SPEED
Top Speed:	119MPH
Engine Power BHP:	261.5BHP

We registered this car from brand new. First registered to Howard Abraham Motors. One keeper from new. June 2024 first registered. KIA Sportage PHEV Level 3 with 13.8kWh electric traction battery. 1.6 GDi petrol engine and 67kW electric motor. AWD - 4x4 drive system. 261bhp. 6-speed DCT automatic gearbox. Phantom Black metallic paint. Mileage is 238 miles. Kia quoted pure electric range is 43 miles. The Plug-in hybrid system offers the peace of mind that you can continue to drive this car without the requirement to plug-in to recharge the traction battery. The car will continue to drive on HEV (hybrid mode) even with the electric traction battery at low charge status. You can manually select full electric drive (subject to battery capacity), or let the car's management system automatically manage the power source (petrol engine, battery only, of hybrid combined). Co2 is 25g/km. Kia quoted combined fuel economy is 252mpg, subject to optimising plug-in charging. Charge times are 1hr 45mins (10%-100%) using a home charge 32amp AC 7.2kW supply. Using a 3-pin 16amp AC charger will take 5hrs 27 mins. Maximum braked towing weight 1350kg. The current new Recommended Retail Price (RRP) of this car is £42,225. Please note this car is subject to the annual VED supplement until 31/05/2030 as the new RRP price exceeded £40,000 when first registered. Condition is immaculate, as you would expect for this June 2024 self-registered example with just 238 miles. The balance of KIA's 7-Year/100,000 mile warranty applies subject to continued manufacturer recommended routine servicing conditions met

Vehicle Features
