Audi A4 TDi with really good Service History, car belonged to an area manager for BT. Lot's of extras, Metallic Paint, Acoustic Parking, Audi Concert Sound, Cosinus Cloth Interior etc. Timing Belt replaced in 2023 miles. Car has age related marks and TT RS alloys could do with a refurb but mechanically car drives 100%.

If you're really fussy about kerbed alloys or highish miles look elsewhere car shall suit someone looking a reliable diesel car with long Mot & peace of mind knowing car has had recent full timing belt kit including water pump, tensioners & pulleys replaced.
