The Peugeot 3008 157kW GT 73kWh 5dr Auto is an impressive choice for anyone seeking a stylish, eco-friendly, and performance-driven SUV. It boasts a powerful 157 kW electric motor paired with a substantial 73 kWh battery, delivering robust acceleration and an impressive range that competes well in the electric SUV market. This model is known for its distinctive, sophisticated design, both inside and out. The interior is spacious, premium, and equipped with Peugeot’s advanced i-Cockpit, which includes a high-resolution digital driver display and a user-friendly touchscreen interface for seamless control of navigation, entertainment, and climate settings. On top of its performance and design, the 3008 GT provides a smooth, quiet drive typical of electric vehicles, enhancing the driving experience with zero emissions. Advanced safety features like adaptive cruise control, lane-keeping assist, and automatic emergency braking make it a safe choice for families and long journeys. In summary, the Peugeot 3008 157kW GT 73kWh 5dr Auto is a high-tech, eco-conscious SUV that doesn’t compromise on luxury or performance, making it a compelling option in the electric SUV market
