

## Volkswagen Beetle 2.0 TDI 60s Edition 2dr | Sep 2013

# £8,500 O.N.O

**FULL DEALER SERVICE HISTORY, A FUN YET PRACTICAL CONVERTIBLE**

We've really enjoyed owning this fun and reliable car as a family of four, but with a dog now in the mix we now need something a little bigger.

Bought less than a year ago as Approved Used from VW Dealer, with full dealer service history. New set of all weather tyres this year.

We love that the car has a solid VW build, and drives superbly on the road, with the 2.0l TDI delivering plenty of power. There's plenty of space for a family of four - with the rear seats surprisingly spacious for a cabriolet. The 60s edition spec includes two-tone leather seats, heated front seats, Fender sound system, Bluetooth connectivity, dual zone climate control, leather steering wheel and cruise control.

The roof can be lowered and raised in less than 10 seconds, even while driving up to 30mph, making it practical to enjoy when out and about. This also comes with a tonneau cover for when the roof is down (worth £200), and a wind deflector if the rear seats are not in use.

We'll be sad to see this go, but we hope you'll have as much enjoyment from it as we have - plenty of years of fun motoring ahead!
