APPLE CARPLAY**

This really is a stunning example of a very rare Facelift model Golf that has really been cherished by its previous keeper.

It has been kept to a very high mechanical standard with a fully documented service history and has just been serviced prior to sale.

The car has been optioned very well from factory including; Front & Rear Sensors, Apple CarPlay and much more.

Overall the car presents itself very well inside and out & has been cared for only its one and only private owner since being registered as a demo for a few months for VW.

We have priced the car to be the most competitive in Northern Ireland; If you require any more information/ images don't hesitate to contact ourselves.

Viewing is welcomed although only for people with genuine interest of purchasing the car. It will be supplied with all relevant handbooks in their Folder & 2 Keys.
