

MINI Hatch 1.5 Cooper 3dr | Jun 2016**£8,000**

2016 Mini Cooper.

Full Prentice Service History & MOT'd until March 2025.

I am a Mini enthusiast having owned each generation of Cooper from R53 to now and it took me a long time to find a Cooper with this spec; John Cooper Works styling upgrades from factory including MINI's LED headlights and keyless entry totalling over £5000 of extras.

The engine is a 1.5T returning over 50mpg and £20/year tax.

Next service isn't due for another 6000 miles and just put 2 premium Yokohama tyres on the front - rear tyres have plenty of tread.

Very reluctant sale but need to upsize with 2 young children.

Car has been re-advertised due to high volume of time wasters. It is priced to sell.
