The BMW 128ti is a performance-oriented version of the BMW 1 Series designed to offer a more engaging driving experience than the regular 1 Series models, while still maintaining a standard 1 Series and the more powerful BMW M135i in terms of performance, offering a more balanced approach to sportiness. The BMW 128ti is ideal for those looking for a compact, sporty hatchback with BMW's signature driving dynamics but without the premium price tag of an M Performance or full M model. It combines the practicality of the 1 Series with a dose of fun, making it a versatile option without sacrificing comfort or utility. This wonderful car provides 265bhp.
