£9,795

This gorgeous Toyota Yaris Icon was previously sold by ourselves when it was just over a year old with only 3000 miles and we're delighted to take it back in part exchange. Still with beautiful low mileage, now having covered just 28.000 miles it has a full service history from new, each one performed by our own workshop the most recent of which was carried out just a few hundred miles ago. There have been just two previous owners and this is the more scarce 1.5 VVT-i engine producing 110bhp and with a 6 speed manual gearbox. Spacious and practical with 5 doors this excellent supermini comes with rear reverse camera, air conditioning, high beam assist, DAB radio, Bluetooth connection and an array of safety features like collision avoidance, emergency brake assist, lane departure warning and hill start. With 15 inch double spoke grey alloys, front fog lights and finished in bright Nebula Blue metallic it looks great and as we've come to expect, it blessed with Toyota's bulletproof reliability record.
