At 55000 miles a major service was carried out which included

the following:

Oil and filter change as well as engine flush Fuel and Air filters
Replacement of bushes: Front radius arms
Rear Trailing Arms
Drag Link
Front Anti-roll bar
Link roads and front shock absorbers Replacement of front shock
towers Replacement rear half shafts with single piece units
Front and rear differential pinion seals Replacement power
steering pipes Replacement A/C condenser radiator
Replacement Steering Damper Replacement Rear anti-roll bar

In total approximately £10k of additional extras and service work
carried out.

This landrover is in very good condition which is reflective of how
much has been spent on it in recent years.

Currently due a service which will be carried out within the next
week with a local 4x4 specialist, MOT is booked for December.

Fitted with Registration Plate HUI 766 which is a nice touch as
the original landrover was HUE 166. This can be sold with the
vehicle for an additional £1000.00

Tyres shown in the picture only have 4k miles on them.

Option to choose between shown tyres or BFG All Terrains

Option to Purchase 3 Month old roof rack.
