The Viva SE A/C variant includes several essential features that enhance comfort and convenience. Air conditioning (A/C) is standard in this model, making it suitable for all-weather conditions. The interior features basic but comfortable cloth upholstery and a straightforward, , providing easy access to phone functions and audio settings. The steering wheel is adjustable, and there are power windows in the front. Although the Viva 1.0 SE A/C is considered a budget-friendly car, it does come with features like cruise control, a trip computer, and steering wheel-mounted controls for ease of use. Safety features include Electronic Stability Control (ESC), Anti-lock Braking System (ABS), hill start assist, and multiple airbags for occupant protection. Handling and Ride Quality Built for urban driving, the Viva has a small turning radius, making it easy to handle in tight spaces. Its suspension is tuned for comfort on city roads, providing a relatively smooth ride over minor bumps. While it may not excel at high speeds or on rougher terrain, it handles well for typical city driving needs. Summary Overall, the 2018 Vauxhall Viva 1.0 SE A/C is a solid choice for budget-conscious drivers looking for a compact and efficient city car. Its fuel efficiency, ease of parking, and essential comfort features make it a practical option for urban dwellers, although it is not designed for performance or extensive highway travel. For those seeking reliable, affordable transportation, the Viva delivers with its economical running costs and user-friendly design
