The Renault Kadjar's winning blend of desirability, quality, practicality and low running costs make it a deserved family favourite. The Kadjar shares a platform with the old Nissan Qashqai, so comparisons with the all-conquering medium-sized crossover are inevitable. In many ways, the Kadjar makes more sense than the previous Qashqai; it's larger, more practical and cheaper. It's also simple to drive, easy to live with and comes with a long list of safety kit.
