(SORN): Currently off-road, so it's ready for your next big project or to be stripped for valuable parts. It hasn't been driven since September 2024 so the battery is currently dead. Also has issue with ABS system.

Ownership History: I'm the 3rd owner, and the car has been well-loved during its time on the road.

Engine and Parts: Plenty of salvageable parts in good condition. The car is being sold as-is and will need to be collected.

Price: £500 or nearest offer - Contact me for more details or to arrange a viewing. Serious inquiries only, please.
